

Great Lakes Regional Turf Spray Program

Tees and Fairways – Cool Season

With this geography-specific spray program, superintendents have a customized rotation management plan for disease control. Be sure and include these important rotations in your plan and have strong, resilient turf all year long.

- Intrinsic® brand fungicides provide a strong foundation of plant health benefits, including broad-spectrum disease control, stronger roots and higher stress tolerance.
- The new, turf-safe Maxtima® fungicide is a DMI that delivers long-lasting disease control of key diseases at any temperature for rotation flexibility and year-round confidence.
- The new, broad-spectrum DMI power of Navicon® Intrinsic® brand fungicide controls more than 20 major diseases while improving overall turf health from root to blade.

Great Lakes

Michigan, Minnesota and Wisconsin

This area has a short growing season compared to the rest of the US. The chilling effect from the Great Lakes results in a long winter with heavy snow cover, which calls for an effective snow mold program. Unlike many areas, dollar spot presents a problem all summer long in this region, increasing the importance of addressing this disease early, during the growing season.

28
day program

Timing	Product	Active Ingredient	Rate/1,000 sq. ft.	Key Diseases & Benefits
1 May 15	Encartis™ fungicide	Boscalid + Chlorothalonil	4 fl oz	Dollar spot, Leaf spot, Pink snow mold
2 Jun 15	Maxtima® fungicide	Mefentrifluconazole	0.6 fl oz	Dollar spot, Anthracnose, Summer patch, Take-all patch, Fairy ring
3 Jul 15	Xzemplar® fungicide	Fluxapyroxad	0.26 fl oz	Dollar spot, Summer patch, Take-all patch, Fairy ring, Brown patch
4 Aug 15	Navicon® Intrinsic® brand fungicide	Mefentrifluconazole + Pyraclostrobin	0.6 fl oz	Dollar spot, Anthracnose, Summer patch, Take-all patch, Fairy ring, Brown patch, Plant Health
5 Sept 15	Xzemplar fungicide	Fluxapyroxad	0.26 fl oz	Dollar spot, Summer patch, Take-all patch, Fairy ring, Brown patch
6 Oct 15	Concert®	Propiconazole + Chlorothalonil	6.0 fl oz	Snow mold
7 Nov 1	Insignia® SC Intrinsic® brand fungicide + Turfcide®	Pyraclostrobin + PCNB	0.7 fl oz + 6.0 fl oz	Snow mold, Plant Health

Product timing is a suggestion only; optimize application for local weather and field conditions. Confirm active status of product registration in your state before using; not all products are registered in all states. Application Rate/1,000 sq. ft. is based on maximum label rate or range. Plant health claims are related to root strength, stress tolerance, resiliency and growth efficiency and are specific to those BASF products containing pyraclostrobin, as shown.

Always read and follow label directions.
