

# Fairy Ring Support Program

## A preventative golf spray program for fairy ring control

At BASF, we know keeping your turf healthy is critical to your success. With your needs in mind, this program is designed specifically for fairy ring. This support program offers at least 90% control of fairy ring in the treated area when following the prescribed program outlined below. Control is guaranteed for 28 days following the last application. If control is not achieved, our team is ready to provide a solution to this persistent problem.

### Qualifying Fungicides

Product	Package
<b>Lexicon® Intrinsic® brand fungicide</b>	4 x 21 fl oz
<b>Maxtima® fungicide</b>	4 x 26 fl oz
<b>Maxtima fungicide</b>	2 x 2.5 gal
<b>Navicon® Intrinsic brand fungicide</b>	4 x 37 fl oz
<b>Navicon Intrinsic brand fungicide</b>	2 x 2.5 gal
<b>Xzemplar® fungicide</b>	2 x 114 fl oz
<b>Xzemplar fungicide</b>	4 x 11.4 fl oz

### Application Details

- Make 1st application at 55-70°F average soil temperature
- Rates per 1,000ft<sup>2</sup>
- Application spray volume is 2-4 gallons/1000ft<sup>2</sup>
- Provide ¼” irrigation post application
- Applications must be made in conjunction with a soil surfactant program on a 14- to 28-day interval as recommended by the product manufacturer

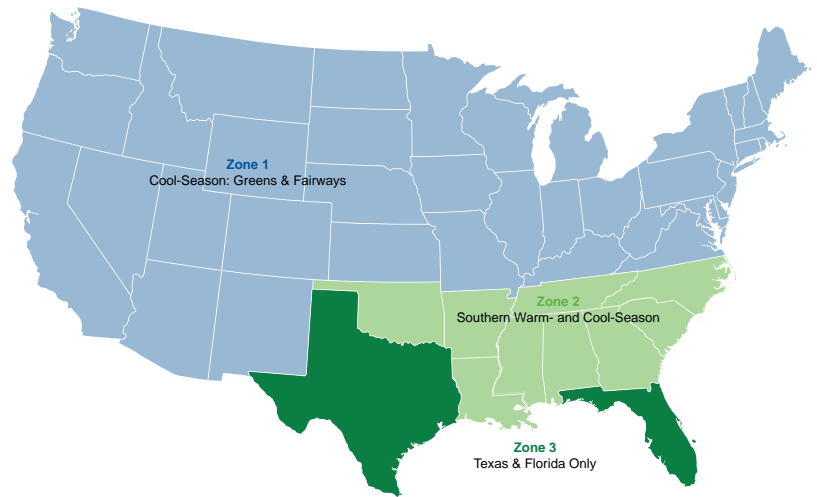

# Golf Fairy Ring Spray Support Program

A preventative golf spray program for fairy ring control

We understand the struggles that come with disease-stricken turf. Our portfolio of fungicides has proven performance controlling this disease. We have put together a support program to help you take back control and rest easy knowing you have our support.

## Required Spray Program By Zone

### Zone 2: Cool- and Warm-Season

Application	Timing	Product	Rate
1	28-day interval	<b>Lexicon® Intrinsic® brand fungicide</b>	0.47 fl oz
2	28-day interval	<b>Xzemplar® fungicide</b>	0.26 fl oz
3	28-day interval	<b>Navicon® Intrinsic brand fungicide</b>	0.85 fl oz
4	28-day interval	<b>Lexicon Intrinsic brand fungicide</b>	0.47 oz

### Special Zone 3: Florida and Texas Only

Application	Timing	Product	Rate
1	28-day interval	<b>Lexicon Intrinsic brand fungicide</b>	0.47 oz
2	28-day interval	<b>Maxtima® fungicide</b>	0.8 fl oz
3	28-day interval	<b>Xzemplar fungicide</b>	0.26 fl oz
4	28-day interval	<b>Navicon® Intrinsic brand fungicide</b>	0.85 fl oz
5	28-day interval	<b>Lexicon Intrinsic brand fungicide</b>	0.47 oz

Initiate first application in the spring when soil temperatures are above 55-70F and turf is actively growing. Make sequential applications on a 28-day interval in the sequence provided above. Control is guaranteed for 28 days after last application.

### Program Process:

- BASF Representative to discuss program eligibility with customer.
- BASF Representative to visit golf course and check all required documentation of treatments, rates, watering, etc.
- BASF Representative to make judgement in its sole discretion of whether control of fairy ring is less than 90% of the total treated acres. All judgement by the BASF Representative will be final.
- If applicable, BASF will determine the curative product to be provided.
- If applicable, golf course will receive product for curative application between five (5) and ten (10) business days after visit by BASF Representative.

#### QUALIFICATIONS:

Follow regional spray program contained in this document based on timing, rates, approved products, and application details. Follow watering instructions and other specific measures to ensure penetration of the fungicide into the fairy ring zone in the soil. Claims must be filed within thirty (30) days of seeing fairy ring breakthrough to your local BASF Sales Representative. All spray records showing rates, date of application, watering amounts, etc. will be required upon visit to your course by BASF rep. No claims will be processed without full spray records. The golf course must have purchased product used from a BASF Authorized Agent after January 1, 2019. **The T&O Golf Fairy Ring Spray Support Program does NOT apply to purchases from other sub distributors and dealers and/or resellers.**

**Always read and follow label directions.** BASF reserves the right to cancel or modify this program at any time.
