Finally, an EOP designed with your needs in mind.

You asked, and we listened. No more pre-made pallets. That means no more buying products you don't need at acreage sizes that don't fit your course. The 2020 EOP is simple, flexible, and rewarding. You buy the products you want, in the package sizes and acreage units that meet your needs –without having to sacrifice the larger rebates that came with pre-made pallets of the past.

With this flexible Early Order Program, you have the freedom to build your own fungicide spray program at the right acreages, all with rebates that provide the value you expect. Simple. Flexible. Rewarding. It's an EOP that's as easy as 1-2-3.

Design Your Own Cube with these Qualifying Fungicides:

- 1 Select at least two qualifying fungicide brands. Partial cases still count toward your rebate level.
- 2 Order at least \$5,000 to start saving.
- 3 Order in October to lock in highest rebates.

Extended terms to June 7, 2020.

Pricing is California pricing. BASF applied CA mill tax (2.175%) to agency products. Consult your local BASF distributor for pricing of non-agency products. For pricing in areas of U.S. outside of California, see 2020 Early Order Program for U.S.

Additional Program Details and Qualifications: All Agency products sold are on behalf of BASF. All sales are final. No returns. Rebate will be based upon reported sales from the BASF Authorized Agent(s) and Distributor(s). The T&O EOP End-User Rebate program applies only to these Qualified End-User professionals: golf, L&L, sports turf, sod farms, municipalities, and parks & rec. Multiple sales orders for one customer are cumulative and will qualify if ordered between program dates and from any BASF Authorized Agent(s) and Distributor(s). The end-user must purchase two (2) or more Qualifying Fungicide brands totaling at least \$5,000 to qualify for the 2020 T&O Design Your Own Cube Program (Offer 1) under the 2020 T&O EOP End-User Rebate Program. The end-user must purchase at least \$2,000 of Qualifying EOP Products to qualify for the 2020 T&O EOP Remaining Portfolio Rebate (Offer 2) under the 2020 T&O EOP End-User Rebate Program. Product must be purchased, invoiced and delivered between the program dates. No exceptions. The invoiced dollar amount for agency products and the redemption value of qualified non-agency products will be used to determine end-user total purchase and rebate earned. End-user must be in good credit standing with agent to receive special promotional terms. All non-agency terms offered at the agent's discretion. All agency products invoiced between October 1, 2019 and January 31, 2020 will receive June 7, 2020 terms for the end-user. All agency products invoiced after January 31, 2020 will receive net 60 days for the end-user. Terms for qualifying non-agency products are determined by a BASF Authorized Distributor. All rebates will appear as a credit on the end-user's account with the agent who processed the order. T&O EOP End-User Rebate credit will become available by July 31, 2020. If an end-user purchases from more than one agent, the rebate will be applied to the respective agent based on percent purchase from each agent. All products may not be registered for sale or use in all states. Please check with your state or local Extension Service.
